

Welcome to the OCR Test Document

This document is designed to evaluate the performance of an Optical Character Recognition (OCR) system. It includes various formatting elements to test how well different styles and structures are recognized.

Text Styles

- **Bold text** should stand out.
- *Italic text* can be useful for emphasis.
- Underlined text might not always be rendered.
- Mixed **bold and *italic*** styles test nested formatting.

Sample Table

Item	Quantity	Price
Apples	4	\$2.00
